- **Chair Weight Capacity:** 110kg per seat
- **Table Weight Capacity:** 40kg
- **Glass Table Thickness:** 5mm

Colour: Black

Material: Polyrattan/ Steel/ Tempered Glass

Safety Advice

- Ensure you have read and fully understood the instruction manual and safety advice before using this product.
- Inspect all components upon delivery to confirm there are no missing or damaged parts before assembling the product. Do not proceed with assembly if parts are damaged or missing, and contact the manufacturer immediately.
- Assemble the product on a flat, level surface following the provided assembly instructions carefully to ensure proper stability.
- Use only the tools provided or recommended in the assembly manual to avoid damaging the product.
- Avoid overtightening screws or bolts during assembly, as this may weaken the product's structural integrity.
- Ensure all fastenings are securely tightened before using the product. Regularly check and retighten screws and bolts during use to maintain safety and stability.
- Use the rattan patio set only as intended. Do not stand on the chairs, table, or any component, as this may lead to tipping or injury.
- Do not place heavy objects exceeding the weight capacity of 110kg per seat and 40kg for the table. Ensure these limits are not exceeded to prevent breakage or instability.
- Ensure the patio set is positioned on a flat, stable surface to reduce the risk of tipping or imbalance. Avoid using the furniture on sloped or uneven ground.
- Keep clear pathways around the furniture set to minimise the risk of tripping hazards caused by table legs or chair arrangements.
- Do not sit on the table or apply uneven weight to any part of the furniture to avoid tipping or damage.
- Do not allow children to climb, jump, or misuse the furniture, as this may lead to injury or damage.
- Handle the tempered glass tabletop with care during assembly, cleaning, and usage. Avoid applying excessive pressure or dropping heavy items onto the glass.

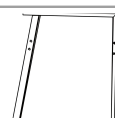

- Ensure the glass tabletop is kept clean and dry. Avoid the use of abrasive or corrosive cleaning materials that may damage the tempered glass surface.
- Protect the glass tabletop from prolonged exposure to direct sunlight to avoid heat retention, which may cause burns upon contact. Use protective coverings during hot weather to reduce heat buildup.
- Avoid dragging or lifting the furniture improperly, as this can weaken joints or damage the rattan material. Always lift and move with assistance if necessary.
- Inspect the furniture regularly for signs of wear and tear, including fraying of the rattan material or loosening of screws. Repair or replace damaged parts promptly to maintain safety.
- Do not store the furniture outdoors during harsh weather conditions without protective coverings. Excessive exposure to moisture or UV rays may weaken the rattan material and cause structural damage.
- In case of damage or product failure, cease use immediately and contact the manufacturer for advice or replacement parts.

16. Maintenance

- The patio set should be stored indoors for adverse weather conditions including heavy rain and low temperatures.
- Use the provided rain cover to protect the furniture from weather damage when not in use. For outdoor use, secure the rain cover tightly to prevent it from being displaced by wind.
- Check screws and bolts regularly to ensure the product is maintaining its sturdiness.
- We recommend cleaning with a soft, damp cloth and a mild detergent, avoiding abrasive cleaners or harsh chemicals to prevent damage to the material.

17. Troubleshooting

• **WHAT DO I DO IF THERE ARE MISSING PARTS FROM MY ORDER?**

If there appears to be any part missing from your order, contact our friendly and helpful Customer Support Team within 7 days of receipt.

• **FOR ALL OTHER ISSUES, PLEASE CONTACT OUR CUSTOMER SUPPORT TEAM.**
